HOW TO SUBMIT PUBLIC COMMENTS: The meetings of the City Council and all municipal entities, commissions, and boards (“the City”) are open to the public. At regularly scheduled meetings, members of the public may address the city on any item listed on the agenda, or on any non-listed matter over which the city has jurisdiction. At special or emergency meetings, members of the public may only address the city on items listed on the agenda. There is a time limitation of two minutes per person. For any item that is not on the agenda and within the jurisdiction or interest of the city, please come to the podium at this time. The Brown Act does not permit any action or discussion on items not listed on the agenda. If you wish to speak regarding a scheduled agenda item, please come to the podium when the item number and subject matter are announced, and the mayor opens Public Comment on the item. When recognized, please begin by providing your name and address for the record (optional). Anyone wishing to submit written information at the meeting needs to furnish ten (10) copies to the City Clerk in advance to allow for distribution to City Council, staff, and the media. Willful disruption of the meeting shall not be permitted. If the Mayor finds that there is in fact willful disruption of any City Council Meeting, he/she may order the disrupting parties out of the room and subsequently conduct the City’s business without them present.

PUBLIC ACCOMMODATIONS: The City of McFarland does not discriminate based on disability and complies with the provisions of the Americans with Disabilities Act (ADA). If you need special assistance to participate in this meeting, please contact the City Clerk’s Office at (661) 792-3091 at least 48 hours prior to the meeting to make reasonable arrangements to ensure accessibility to this meeting.

INTERPRETATION: If you need an interpretation of your communications to the City Council into English, please contact the City Clerk Department at 661-792-3091 ext. 2135 at least 48 hours prior to the meeting.

City Council Meeting

STAFF REPORT

Agenda Item No. 5.
Section: CONSENT AGENDA
Meeting Date: February 8,
2024

TO: Honorable Mayor and Council Members
FROM: Kenny Williams, City Manager
SUBJECT: Approval of the Letter of Support for the City of Shafter RAISE Application Santa Fe Way Widening Project.

SUMMARY:

The city of Shafter has requested a letter of support from the city of McFarland regarding an application for grant funding for a street widening project within their city. The grant request was made with the Department of Transportation for funding through the Rebuilding American Infrastructure with Sustainability and Equality (Raise) program.

The City of McFarland does not have any requests for this program. Therefore, if approved, there would be no issue of competition between the city of Shafter and McFarland.

The project is titled "Santa Fe Way Widening Phase 1", and is requested to help facilitate its effort to widen Santa Fe Way from two to four lanes between Seventh Standard Road and Los Angeles Avenue.

If approved the Mayor will sign the letter of support in behalf of the city.

FINANCIAL IMPACT:

There is no financial impact on the city's budget.

RECOMMENDATION:

Staff is recommending the approval of the Letter of Support for the City of Shafter RAISE Application Santa Fe Way Widening Project.

Washington, DC 20590
United States

Re: **RAISE Application Letter of Support, "Santa Fe Way Widening Phase 1"**

Dear Secretary Peter Buttigieg,

I am writing to express my strong support for the City of Shafter's FY 24 RAISE application, entitled "Santa Fe Way Widening Phase 1", to facilitate its effort to widen Santa Fe Way from two to four lanes between Seventh Standard Road and Los Angeles Avenue. The requested RAISE funds would focus on completing environmental and technical studies, conceptual designs, and right-of-way acquisition.

Santa Fe Way is already a critical thoroughfare that is the most direct link between the growing cities of Bakersfield and Shafter. Approximately 10,000 vehicles per day use the road, primarily for commuting commerce. However, unlike other regional arterial roadways, it is limited to two lanes, one in each direction of travel. The volume of traffic with restricted access creates safety concerns. Fortunately, the City has secured federal and state funds to construct improvements to alleviate these concerns, including paved shoulders completed in 2023 and a roundabout at the Los Angeles Avenue intersection scheduled for completion within the next two years.

In addition to addressing safety concerns, improvements at Santa Fe Way enhance economic development for the City and the surrounding region. To date, sustainable infrastructure has contributed significantly to the success of the Wonderful Industrial Park (WIP) in Shafter, which has already created thousands of jobs. Creating jobs has been instrumental in addressing the economic hardships and challenges Central Valley communities face. In the case of Shafter, it is identified as both Historically Disadvantaged and an Area of Persistent Poverty. Only 11% of residents have achieved a Bachelor's degree or higher, plus the median household income is \$66,418, far below the California median household income of \$91,905.

Finally, the City of Shafter has a successful track record of delivering grant-funded projects. In the case of this proposed grant funding application, they have partnerships and strong working relationships with other public agencies, community leaders, and local businesses to make the proposed project successful. Providing RAISE funds to advance the project will help to reverse the tide of inequitable transportation infrastructure throughout the United States.

Sincerely,

Saul Ayon
Mayor

City Council Meeting

STAFF REPORT

Agenda Item No. 6.
Section: PUBLIC HEARINGS
Meeting Date: February 8,
2024

TO: Honorable Mayor and Council Members

FROM: Kenny Williams, City Manager
Paul Saldaña , Community Development Director

SUBJECT: Public Hearing Requesting Input Regarding the Composition of Potential Council Election Districts.

- a. Staff report: Community Development Director Paul Saldana
- b. Open public hearing and receive public testimony:

SUMMARY:

On November 9, 2023, the City Council adopted Resolution 2023- 141 initiating the process to transition from an at-large election system to a district-based election system. This change will create four (4) single-member districts, with each district having a single representative who must reside within that district. The Mayor will continue to be elected citywide. A key reason that the City is proceeding with district-based elections is the threat of significant litigation under the California Voting Rights Act (CVRA). Faced with potentially hundreds of thousands or even millions of dollars in legal fees and damages (as some cities have experienced), the Council decided to proceed with the creation of a district-based election system. This allows the City to retain its own ability to determine and adopt an appropriate district map instead of having the risk of a court doing so.

The first step in the transition process was to hold two public hearings to solicit input on the composition of City Council districts. These hearings were held at the December 14, 2023 and January 11, 2024 Regular City Council Meetings. The public was requested to provide testimony about the City's "communities of interest" and other local factors that should be considered while drafting district boundaries.

Tonight's hearing begins the second phase of the districting process, as required by California Elections Code Section 10010. In accordance with the law, the City must hold at least two public hearings on the proposed district boundary maps. Following tonight, the fourth Public Hearing will be held on February 8, 2024.

Furthermore, as required, the draft maps were made publicly available for at least seven days before the public hearing. Four draft maps were posted to the City website and available at City Hall by January 18. If Council requests modifications to any map or any public submissions are received, those will be posted no later than February 1, 2024. **The four draft maps are also included as a supplement to this staff report.**

Following the presentation, Staff recommends the Council take public comment. After public

comment, Staff and NDC are available to answer any questions residents may have asked during the public comment time.

Once public comment and Staff/NDC responses are concluded, Council can close the public hearing. Then, Councilmembers have the opportunity to ask any questions about this process of Staff and NDC, share their own thoughts regarding the maps. The Council has the opportunity at this time to remove maps from consideration, request additional maps or changes, and/or designate one or more “focus maps” to bring increased attention to those specific district plans (maps not designated as “focus maps” will continue to be available for discussion or consideration). Councilmembers have the opportunity to offer any reactions or responses to comments made during the public hearing.

In reviewing draft maps, the City must ensure compliance with the following state and federally-mandated criteria, according to the Fair Maps Act of 2023 (as modified):

Federal Laws

1. Each council district shall contain a nearly equal population.
2. Each council district shall be drawn in a manner that complies with the Federal Voting Rights Act. No council district shall be drawn with race as the predominate factor (*Shaw v. Reno*, 509 U.S. 630 1993).

California Criteria for Cities

Districts shall be drawn according to the following criteria, ordered by priority (Elections Code Sec. 21601):

1. Districts shall be geographically contiguous.
2. Districts shall be drawn in a manner that minimizes the division of neighborhoods and local “communities of interest.”
3. District boundaries shall be easily identifiable and understandable by residents.
4. Districts shall be drawn to encourage geographical compactness.

In addition, districts “shall not favor or discriminate against an incumbent, political candidate, or political party...”

FINANCIAL IMPACT:

No financial impact.

RECOMMENDATION:

Provide direction to the Demographer and City Staff on the draft Council election district maps and sequence of elections.

STAFF REPORT

Agenda Item No. 7.
Section: PUBLIC HEARINGS
Meeting Date: February 8,
2024

TO: Honorable Mayor and Council Members

FROM: Kenny Williams, City Manager
Paul Saldaña , Community Development Director

SUBJECT: Second Reading and Adoption of Ordinance No. 1-2024, AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MCFARLAND ADOPTING ZONING CODE AMENDMENTS TO TITLE 17 ZONING AMENDING TITLE 17, CHAPTER 17.16.060 AND CHAPTER 17.136.150 ADDITIONAL DWELLING UNITS AND ACCEPT CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) A NOTICE OF EXEMPTION.

- a. Staff Report: Community Development Director, Paul Saldaña
- b. Open Public Hearing and Receive Public Testimony:
- c. Motion to Waive the Reading of the Ordinance Text in its Entirety, Read by Title Only and Adopt Ordinance No. 1-2024 AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MCFARLAND ADOPTING ZONING CODE AMENDMENTS TO TITLE 17 ZONING AMENDING TITLE 17, CHAPTER 17.16.060 AND CHAPTER 17.136.150 ADDITIONAL DWELLING UNITS AND ACCEPT CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) A NOTICE OF EXEMPTION.
- d. Direct staff to post in designated posting location within fifteen days of its passage.

SUMMARY:

The City of McFarland adopted Section 17.136.150 Additional Dwelling Units in 1969. This section permitted additional dwelling units in the R-1 residential zones upon the Planning Commission approving a Conditional Use Permit and complying with various other requirements. State law now requires all cities and counties to permit by right accessory dwelling units and junior accessory dwelling units in all zones that permit residential uses.

Upon adoption of the ADU ordinance by the City Council, Staff will forward the adopted ordinance to the State California Department of Housing and Community Development (HCD) for its comments which may require additional changes. The staff at HCD have 60 days in which to complete their review of the adopted ordinance and provide comments as to the adequacy of the adopted ordinance. If comments are received, the ordinance will need to be

further amended to address any changes. If HCD finds that any adopted ordinance enacted by a local jurisdiction is in any way inconsistent with state law, the ordinance is void. If this occurs, the ADU ordinance will require amending.

DISCUSSION

The attached Accessory Dwelling Unit Handbook published by the California Department of Housing and Community Development- Updated July 2022 provides a comprehensive review of the state legislation and HCD's interpretation. The handbook contains a section relating to questions and answers for use by local government and residents. It also contains legislative mandates requiring cities and counties to abide by in the implementation of the state laws. The following definitions provide a general overview of the Accessory Dwelling Unit legislation.

Structure: Accessory Dwelling Unit (ADU) is accessory to a primary residence and has complete independent living facilities for one or more persons and has a few variations: Detached – the unit is separated from the primary structure; Attached – the unit is attached to the primary structure; Converted Existing Space – Space (e.g., master bedroom, attached garage, storage area, or similar use, or an accessory structure) on the lot of the primary residence that is converted into an independent living unit.

Junior ADUs: We are required to allow these smaller ADUs, only in single-family homes, and less than 500 square feet of existing space.

Separate sale of JADUs: Government Code Section 65852.26 was added which allows, under certain circumstances, the separate sale of a JADU when the property is constructed and owned by a 501(c)(3) nonprofit. The JADU must, among other requirements, remain affordable for a minimum of 45 years, and the owner of the single-family home must reside within the home.

Fees:

Processing Fee: An ADU or JADU can only be charged for the cost of processing a new single-family dwelling (SFD). Impact/development fees can only be charged if the ADU is greater than 750 square feet. The fee must be prorated based on fees for the SFD.

Lot size: The state has removed any requirement for a minimum lot size.

Number of ADUs: Any lot where an ADU is permitted may have one ADU and one JADU. In situations where multi-family units exist, two detached ADUs are permitted plus additional units up to 25 percent of the existing unit total. These units can be constructed within existing unit space, subject to limitations. No JADUs are permitted in multi-family units.

Setbacks, Size and Height: A detached ADU can now have side and rear setbacks of just four feet, and the height of the building can be up to 16 feet. In McFarland's code, the height of the ADU may be the height permitted in the applicable zone district. An ADU must be at least 110 square feet based on the California Building Code.

Utility Meters: An ADU is not considered a new residential use for purposes of calculating connection fees unless constructed concurrent with a new SFD onsite.

Parking: A previous revision of the state's legislation allows parking within setback areas or as

tandem parking on driveways. Covered parking is not required. If a carport or garage is converted or demolished for the construction of an ADU, the primary home parking is no longer required.

Processing time: The overall time to process an ADU and/or JADU must be reduced to 60 days.

Nonconforming: The correction of nonconforming structures requesting conversion to accessory units shall not be a condition for ministerial permits.

Owner-occupied: If a JADU is constructed within a single-family home, the owner must reside in either the JADU or the primary home. A Covenant Agreement is required to be recorded. For an ADU, there is no requirement for the owner to occupy either the primary unit or the ADU.

The Planning Commission held a public hearing on December 12, 2023 and following the public hearing, the Commission adopted Resolution PC 2023-0004 recommending the City Council adopt the Ordinance and accept the CEQA Notice of Exemption.

ENVIRONMENTAL REVIEW

The proposed amendment to Title 17 Zoning, amending Chapters 17.16.060 by adding language and amending Section 17.136.150 to delete the language from subpart (A) and (B) and add 17.136.150.010 through 17.136.150.130 is exempt per Section 15061(b)(3) (General Rule) of the California Environmental Quality Act (CEQA) Guidelines because the project is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. The proposed ordinance amendments are covered by the commonsense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. The proposed ordinance amendments are to bring city regulations into compliance with state mandates and will not affect any scenic highway or resources, propose development on a hazardous waste site which is included on any list compiled pursuant to Section 65962.5 of the Government Code, does not affect any site that could qualify as historical resources and no structures are to be demolished, nor would the project have a significant adverse impact on a historic resource.

FINANCIAL IMPACT:

None

RECOMMENDATION:

City Council conduct public hearing and motion to adopt Ordinance No. 14-2024 amending Title 17 of the McFarland Municipal Code related to Additional Dwelling Units and Accept California Environmental Quality Act (CEQA) A Notice of Exemption.

ORDINANCE NO. 1-2024

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MCFARLAND ADOPTING ZONING CODE AMENDMENTS TO TITLE 17 ZONING AMENDING TITLE 17, CHAPTER 17.16.060 AND CHAPTER 17.136.150 ADDITIONAL DWELLING UNITS AND ACCEPT CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) A NOTICE OF EXEMPTION.

Section 1. Recitals

WHEREAS, the City Council desires to amend Title 17 Zoning as follows: Chapter 17.16, Section 17.136.150 to delete 17.136.150(A) and (B) and to add 17.136.150.010-17.136.150.130.

WHEREAS, on December 12, 2023, at after a duly noticed public hearing, the Planning Commission considered the Proposed Amendments, including presentations from City staff, oral testimony, and written testimony; and

WHEREAS, after the above-mentioned public hearing, the Planning Commission adopted Resolution No.004-2023 which recommended that the City Council adopt this Ordinance; and

WHEREAS, on January 11, 2023, the City Council conducted a duly noticed public hearing regarding this Ordinance, where it received presentations from City staff, oral and written testimony from members of the public, and introduced the ordinance; and

WHEREAS, after the above-mentioned City Council public hearing, the City Council now desires to amend Title 17 Zoning by amending Chapters 17.16.060 and Section 17.136.150 to delete the language from subpart (A) and (B) and adding 17.136.150.010 through 17.136.150.130.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF MCFARLAND DOES ORDAIN AS FOLLOWS:

NOW, THEREFORE, the City Council of the City of McFarland does hereby ordain as follows:

1. The Recitals set forth above are true and correct and incorporated herein.
2. Copies of the environmental document and full text of the deletion and addition to Title 17 Zoning were made available for public inspection during public review period at the City Clerk's office and the City of McFarland Community Development Department, 401 W Kern Avenue, McFarland, CA 93250 and on the City's website.
3. Based upon its own independent judgment and substantial evidence in the record of proceedings related to the Proposed Ordinance amendments, the City Council approves the Notice of Exemption.
4. This Ordinance establishes the opportunity for the efficient review and approval of accessory dwelling units.

Code Amendments are as follows:

1. AMEND TITLE 17 ZONING, CHAPTER 17.16.060 DWELLING UNITS PER LOT

Chapter 17.16 Single Family Residential Zone, Section 17.16.060 Dwelling units per lot.

Subject to the exceptions stated in Section 17.136 of this Code, not more than one dwelling unit shall be allowed on each lot.

1. AMEND Title 17 zoning, Chapter 17.136.150 Additional dwelling units:

Chapter 17.16 General Provisions, Section 17.136.150 Additional dwelling units.

1. ~~Notwithstanding any other provisions of this title, where a lot in the R-1 zone has an area of twelve thousand square feet or more and with adequate provisions for ingress and egress, a conditional use permit may be granted by the planning commission for the construction of additional one-family dwellings and allowable accessory buildings; however, the minimum site area shall be six thousand square feet of lot area per each one-family dwelling. Notwithstanding any other provisions of this title, where a lot in the R-2 zone has an area of nine thousand square feet or more and with adequate provisions for ingress and egress, a conditional use permit may be granted for the construction of additional family dwelling units and allowable accessory buildings; however, the minimum site area shall be three thousand square feet of lot area per each family dwelling unit.~~

2. ~~The procedure for filing of applications, filing fees, investigation, notices, public hearings and findings shall be the same as provided in this title for variances.~~

(Ord. 109 § 32.14, 1969)

17.136.150.010 – Purpose and Applicability.

- A. Purpose. The purpose of this chapter is to comply with Government Code Section 65852.2 (Accessory Dwelling Units), 65852.22 (Junior Accessory Dwelling Units), and 65852.26 (Sale or Conveyance of Accessory Dwelling Unit Separate from Primary Residence) as amended from time to time by the State, which provides for cities to set standards for the development of accessory dwelling units (ADUs) and Junior ADUs (JADUs) so as to increase the supply of smaller and affordable housing while ensuring that they remain compatible with the existing neighborhood. Accessory dwelling units are considered to be a residential use, consistent with the General Plan objectives and zoning regulations, and enhance housing opportunities, including near transit for residential lots zoned to allow single family, homes or multi-family units.
- B. This chapter is intended to implement the City's Housing Element of the General Plan and is adopted to comply with State law (Government Code Section 65852.2 and 65852.22), by allowing ADUs through ministerial review in all districts zoned to allow single-family, multi-family, or mixed uses, subject to meeting the standards prescribed below.
- C. Permitted Locations. The provisions included in this chapter are applicable to all lots that 1) are zoned to allow single-family, multi-family residential, or mixed uses; and 2) include a proposed or existing primary dwelling.

17.136.150.020 – Application Process.

- D. Permit Required. An Administrative Permit in compliance with Chapter 17.160 is required for ADUs along with a Building Permit.
- E. Review and Approval – Ministerial Review. An Administrative Permit in compliance with Chapter 17.160 for an ADU shall be considered and approved ministerially without discretionary review or a hearing, notwithstanding California Government Code Sections 65901 or 65906 or any local ordinance regulating the issuance of variances or special use permits within 60 days of acceptance of a complete application.
 - 1. Exception: Should the permit application to create an ADU be submitted concurrently with a permit application to create a new single-family dwelling on the lot, in which case the City shall not act on the ADU permit application until the City acts on the permit application for the new single-family dwelling unit; or The applicant requests a delay, in which case the sixty (60)-day time period shall be tolled for the period of the delay. If the City has not acted upon the completed application for the ADU within 60 days, and neither of the above exceptions are met, then the application for the ADU shall be deemed approved.
- F. ADU shall be subject to this section and under subdivision (e) of Government Code 65852.2 shall not be subject to design and development standards except for those that are noted in this Chapter. ADUs that do not meet objective and ministerial development and design standards may still be permitted through an ancillary discretionary process, Conditional Use Permit, if the applicant chooses to pursue this route. In this scenario, the applicant assumes time and monetary costs associated with a discretionary approval process.

17.136.150.030 – Submittal Requirements.

- A. The completed application, Administrative Permit, shall be submitted to the Community Development Department on an application form prepared by the Community Development Director and shall include the submittal requirements as defined by Chapter 17.160. Upon approval of the Administrative Permit, the applicant shall submit a building permit application. Fees for an ADU shall be established by the City Council and said fees shall be, but not limited to, Administrative Permit Application, Building Plan Check Fees, Building Permit Fees, and state mandated fees relating to the issuance of building permits.

17.136.150.040 – Type of Accessory Dwelling Units.

- A. Types of Accessory Dwelling Units.
 - 1. Attached ADU. An ADU attached to an existing or proposed primary dwelling and located on the same lot as the proposed or existing primary dwelling, which provides complete independent living facilities for one (1) or more persons. It shall include permanent provisions for living, sleeping, eating, cooking, and sanitation. The attached ADU shall have an exterior entrance separate from the main house.
 - 2. Detached ADU. An ADU structurally independent and detached from an existing or proposed primary dwelling and located on the same lot as the proposed or existing primary dwelling, which provides complete independent living facilities for one (1) or more persons. It shall include permanent provisions for living, sleeping, eating, cooking, and sanitation.
 - 3. Internal Conversion ADU. An ADU may be located within areas converted to habitable

space, such as:

1. An area within an existing single-family dwelling (e.g., attached garage) and on the same lot as the existing dwelling with a separate exterior entrance; or
2. An existing accessory structure (e.g., detached garage or pool house) located on the same lot as an existing single-family dwelling with a separate exterior entrance; or
3. Portions of existing multi-family structures that are not used as livable space including but not limited to storage rooms, boiler rooms, passageways, attics, basements, or garages, if each unit complies with state building standards for dwellings.

17.136.150.050 – Number and Types of ADUs Permitted Per Legal Parcel or Lot.

- A. Lots with a Single-Family Dwelling. The following number and types of ADUs shall be allowed per lot that is zoned to allow single-family residential uses and includes a proposed or existing single-family dwelling.
 1. One (1) attached ADU; or
 2. One (1) detached ADU; and
 3. One (1) JADU (See Section 17.136.150.120).
- B. Lots with a Multi-Family Dwelling(s). The following number and types of ADUs shall be allowed per lot that is zoned to allow multi-family residential uses and includes a proposed or existing multi-family dwelling.
 1. Conversion of non-livable spaces to create ADU(s). At least one (1) ADU within the portions of existing multi-family structures, from the conversion of non-livable area, shall be allowed per lot that is zoned to allow multi-family residential uses and includes an existing multi-family structure, so long as it does not exceed 25 percent of the total number of existing dwelling units. ADUs within multi-family structures must be converted from non-livable areas and if no non-livable areas exist, no ADUs will be permitted.
 2. Detached ADU(s). Not more than two (2) ADUs, conversion of existing accessory structures and/or new construction, that are located on a lot that is zoned to allow multi-family residential uses and includes an existing or proposed multi-family dwelling.

17.136.150.060 – Development Standards.

- A. Site/Location Requirements.
 1. Minimum Lot Size. ADUs that comply with this Chapter shall be permitted on all legally established parcels, regardless of parcel size.
 2. Lot Coverage. Not applicable.
 3. Space Between Buildings shall be established in the applicable zone district.
- B. Size and Floor Area.
 1. Detached ADU. The maximum floor area of a new construction of a detached ADU is 1,200 square feet.
 2. Attached ADU. The maximum floor area of an attached ADU shall not exceed 50 percent of the floor area of the existing primary dwelling for an attached ADU but is permitted to be at least 800 square feet.
- C. Height and Number of Stories. All ADUs shall comply with the minimum height restrictions as established in the applicable zone district.
- D. Setbacks. All ADU Setbacks shall ensure accessibility for health and safety emergency personnel

and shall provide site visibility at street and alley intersections. The side yard setbacks listed below ensure health and safety access by emergency personnel and site visibility at street intersections. Where utility easements exist, should the minimum setback encroach into the easement, the setback shall be increased to be equal to or greater than the width of the utility easement(s).

1. Front Yard Setbacks. All ADUs shall meet the minimum front yard setback as established in the applicable zone district.
 2. Rear and Side Yard Setbacks shall be the minimum as listed below, except where public utility easement(s) requires a greater setback.
1. Interior Side Yard Setbacks: Interior Side Yard shall be a minimum of four (4) feet.
 2. Corner Side Yard Setback – Corner yard setback shall be six (6) feet.
 3. Interior Rear Yard Setback: Interior Rear Yard Setback shall be a minimum of four (4) feet for interior lots.
 4. Corner Rear Yard Setback: Corner Rear Yard Setback for corner lot shall be a minimum of six (6) Feet.
3. When an existing structure is converted to an ADU, and the existing structure either has no setbacks or has setbacks of less than four (4) feet, then the ADU shall maintain the same setbacks as the existing structure or setbacks of four (4) feet from the side and rear yards, whichever is less, if the ADU is constructed in the same location and to the same dimensions as the existing structure.
1. Conversion of existing structures to an ADU not meeting the minimum setbacks shall be designed and/or retrofitted to meet the Fire and Building codes.

E. Parking Requirements.

1. One (1) parking space shall be provided per ADU, where applicable. This space may be provided as tandem parking on a driveway where the parking of vehicles do not block sidewalks nor pedestrian access. Parking of vehicles shall not be within four (4) feet of the interior side yard and shall not be within six (6) feet of a corner side yard setbacks. The four (4) foot and six (6) foot non-parking areas are to ensure health and safety access by emergency personnel and site visibility at street intersections.
2. When a garage, carport, or covered parking structure is demolished in conjunction with the construction of an ADU or converted to an ADU, replacement parking is not required. Off-street parking may be within the front yard setback area and may be designed as tandem parking or other design that accommodates off-street parking. The City code requires two (2) off-street parking spaces per dwelling unit but does not require garages nor carports for off-street parking. Therefore, two-off-street parking spaces are required and when required one off-street parking for the ADU. As noted, tandem parking shall not block sidewalks, landscape areas or public access.
3. Exceptions. No parking shall be required for ADUs in any of the following instances:
 1. The ADU is located within one-half mile walking distance of public transit.
 2. The ADU is located within an architecturally and historically significant historic district.
 3. The ADU is part of the proposed or existing primary residence or an accessory structure.
 4. When on-street parking permits are required but not offered to the occupant(s) of the ADU.
 5. There is a car share vehicle located within one (1) block of the ADU.

- F. Architectural Review. The construction of new ADUs shall be subject to Section 17.134.030 Single-family residential Standards.
- G. Access and Entry. An ADU shall have a separate entry from the primary residence and shall be from the side or rear yard.
- H. Density Limits. An ADU that conforms to the ordinance shall be deemed to be an accessory use or accessory building and shall not be considered to exceed the allowable density for the lot upon which it is located and shall be deemed to be a residential use which is consistent with the existing general plan land use and zoning designations for the lot. The ADU shall not be considered in the application of any local ordinance, policy, or program to limit residential growth.

17.136.150.070 – Other Requirements.

- A. Availability of Utilities.
 - 1. Utility Connections. ADUs may be subject to utility connections as provided herein.
 - 2. Private Sewage Disposal System. ADUs not serviced by the City's wastewater system must receive clearance from the Kern County Public Health Services Department. The applicant shall provide clearance to the City Building Division prior to the issuance of a building permit.
- B. Addressing. The ADU shall be required to apply for and pay the adopted addressing fee for the proposed ADU(s), whether the ADU is an attached or detached. The address must be assigned prior to the issuance of the building permit.
- C. Fire Sprinklers. Installation of fire sprinklers may not be required in ADUs (attached, detached, or conversion) where sprinklers were not required by building codes for the existing primary residence. For example, a detached single-family home designed and constructed decades ago would not have been required to have fire sprinklers installed under the applicable building code at the time. However, if the same primary dwelling recently underwent significant alteration and is now required to have fire sprinklers, any ADU created after that alteration must be provided with fire sprinklers. (Government Code Section 65852.2, subs. (a)(1)(D)(xii) and (e)(3).) Please note, for ADUs created on lots with multifamily residential structures, the entire residential structure shall serve as the "primary residence" for the purposes of this analysis. Therefore, if the multifamily structure is served by fire sprinklers, the ADU can be required to install fire sprinklers. For additional guidance on ADUs and fire sprinkler system requirements, please consult the Office of the State Fire Marshal. If fire sprinklers are not required for the primary residence, then installation of fire sprinklers is not required in an ADU. However, if the primary residence undergoes significant remodeling and is required to install fire sprinklers, an ADU created after the remodel would also be required to install fire sprinklers.
- D. Solar Panels. New ADUs are subject to the California Energy Code requirement (excluding manufactured homes) to provide solar systems if the unit(s) is a newly constructed, non-manufactured, detached ADU (though some exceptions apply). Per the California Energy Commission (CEC), the solar systems can be installed on the ADU or on the primary dwelling unit. ADUs that are constructed within existing space, or as an addition to existing homes, including detached additions where an existing detached building is converted from non-residential to residential space, are not subject to the Energy Code requirement to provide solar systems.
- E. Flood Elevation Certification. All ADUs are required to comply with Chapter 15.12 Floodplain Management when the proposed ADU is located within the FEMA Flood Hazard area which has a one (1) percent annual chance for shallow flooding. If applicable, prior to the issuance of the

building permit, compliance with Section 15.12.170(C) of the McFarland Municipal Code and prior to the issuance of the building permit, a Flood Certification shall be provided.

- F. Building Code compliance is required for all ADUs. The Community Development Department will not issue final building permits for an ADU before approval of building permits for the primary dwelling.
- G. Kern County Fire Department Clearance shall be required prior to the issuance of a building permit for an ADU.
- H. Other Code compliance as may be applicable, such as but not limited to encroachment permits, lot mergers, lot line adjustments, etc.

17.136.150.080 – Occupancy, Rental, and Sale Limitations

- A. Owner Occupancy shall not be required for ADUs.
- B. Rental of ADUs shall be a minimum of 30 days.
- C. Separate Conveyance. An ADU may be rented separate from the primary residence but may not be sold or otherwise conveyed separate from the primary residence, except when sold by a qualified nonprofit corporation to a qualified buyer in accordance with California Government Code Section 65852.26 with affordability restrictions.

17.136.150.090 – Fee Requirements.

- A. Connection Fees or Capacity Charges. An ADU shall not be considered to be a new residential use for the purposes of calculating connection fees or capacity chargers for utilities, including water and sewer service, unless the ADU was constructed with a new single-family dwelling. Where a new ADU and new residential unit is applied for and constructed, the new ADU and new residential unit shall pay the applicable Sewer Connection Fee in place at the time of submittal.
- B. Impact Fees. Impact fees shall not be imposed on an ADU that is less than 750 sf. in size. For ADUs that are greater than 750 sf. in size, impact fees charged shall be proportionate in relation to the square footage of the primary dwelling unit.
- C. Permit Processing Fee. Application fees shall be as established by resolution of the City Council for the processing of the planning and building permit applications. Other fees such as but not limited to file maintenance and technology fees shall be required. All state mandatory fees associated with building permits shall be required.
- D. Monthly Charges for Sewer and Water. ADUs shall be subject to the monthly utility fees for wastewater. Water service is provided by the City and as such an ADU may be subject to the monthly utility fees for domestic water service.

17.136.150.100 – Conditions for Non-Conforming Uses and Structures.

- A. Nonconforming Conditions. Notwithstanding Chapter 17.136.050, to the contrary, an owner of an ADU that receives a notice to correct violations or abate nuisance, in relation to the ADU, may request a delay for five years in enforcement of a building standard, as long as the violation is not a health and safety issue as determined by the City's Building Official, subject to compliance with the Health and Safety Code Section 17980.12 and the following conditions:
 - 1. The ADU was built before January 1, 2020.

2. The ADU was built on or after January 1, 2020, in a local jurisdiction that, at the time the ADU was built, had a noncompliant ADU ordinance, but the ordinance is compliant at the time the request is made.

17.136.150.110 – Definitions Accessory Dwelling Units. For purposes of this section, the following terms have the following meanings.

- A. “Accessory dwelling unit” means an attached or a detached residential dwelling unit that provides complete independent living facilities for one or more persons and is located on a lot with a proposed or existing primary residence. It shall include permanent provisions for living, sleeping, eating, cooking, and sanitation on the same parcel as the single-family or multifamily dwelling is or will be situated. An accessory dwelling unit also includes the following:
 - a. An efficiency unit.
 - b. A manufactured home, as defined in Section 18007 of the Health and Safety Code.
- B. “Accessory structure” means a structure that is accessory and incidental to a dwelling located on the same lot.
- C. “Efficiency unit” has the same meaning as defined in Section 17958.1 of the Health and Safety Code.
- D. “Living area” means the interior habitable area of a dwelling unit, including basements and attics, but does not include a garage or any accessory structure.
- E. “Local agency” means a city, county, or city and county, whether general law or chartered.
- F. “Nonconforming zoning condition” means a physical improvement on a property that does not conform with current zoning standards.
- G. “Passageway” means a pathway that is unobstructed clear to the sky and extends from a street to one entrance of the accessory dwelling unit.
- H. “Proposed dwelling” means a dwelling that is the subject of a permit application and that meets the requirements for permitting.
- I. “Public transit” means a location, including, but not limited to, a bus stop or train station, where the public may access buses, trains, subways, and other forms of transportation that charge set fares, run on fixed routes, and are available to the public.
- J. “Tandem parking” means that two or more automobiles are parked on a driveway or in any other location on a lot, lined up behind one another.
- K. “Impact Fee” has the same meaning as the term “fee” is defined in subdivision (b) of Section 66000, except that it also includes fees specified in Section 66477. “Impact Fee” does not include any connection fee or capacity charge charged by a local agency, special district, or water corporation.
- L. Multiple detached dwellings on a lot in the R-2, R-3, and R-4 Zones: A lot where there are currently multiple detached single-family dwellings is eligible for creation of one ADU per lot by converting space within the proposed or existing space of a single-family dwelling or existing structure and by building a new detached ADU subject to certain development standards. (Government Code Section 65852.2, subs. (e)(1)(A) and (B).)
- M. Multifamily dwelling under ADU Law is as follows: For the purposes of State ADU Law, a structure with two or more attached dwellings on a single lot is considered a multifamily dwelling structure. Multiple detached single-unit dwellings on the same lot are not considered multifamily dwellings for the purposes of State ADU Law.

17.136.150.120 – Junior Accessory Dwelling Units.

- A. Permitted one (1) junior accessory dwelling units (JADU) in single-family residential zones.
- B. An administrative permit shall be required for the creation of a JADU, and shall do all the following:
 - 1. One (1) JADU per residential lot zoned for single-family residences with a single-family residence built, or proposed to be built, on the lot.
 - 2. Require owner-occupancy in the single-family residence in which the JADU will be permitted. The owner may reside in either the remaining portion of the structure or the newly created junior accessory dwelling unit. Owner-occupancy shall not be required if the owner is another governmental agency, land trust, or housing organization.
 - 3. Require the recordation of a deed restriction, which shall run with the land, shall be filed with the permitting agency, and shall include both of the following.
 - 1. A prohibition on the sale of the JADU separate from the sale of the single-family residence, including a statement that the deed restriction may be enforced against future purchasers.
 - 2. A restriction on the size and attributes of the JADU that conforms with this section.
 - 4. A permitted JADU shall be constructed within the walls of proposed or existing single-family residence.
 - 5. The JADU shall provide a separate entrance from the main entrance to the proposed or existing single-family residence.
 - 6. The JADU shall provide an efficiency kitchen, which shall include all of the following:
 - 1. A cooking facility with appliances.
 - 2. A food preparation counter and storage cabinets that are of reasonable size in relation to the size of the junior accessory dwelling unit.
 - 7. A JADU shall not require additional parking as a condition to grant a permit.
- B. JADU shall be required to submit a building permit and pay adopted fees for planning clearance, Administrative Permit and Maintenance Fees, building fees relating to plan checks, building permit, inspection, including the imposition of a fee for that inspection, to determine if the JADU complies with applicable building standards.
- C. An application for a JADU, notwithstanding State of California Government Code, Section 65901 or 65906 or any local ordinance regulating the issuance of variances or special use permits, be considered ministerially, without discretionary review or a hearing. The Planning Division shall act on a completed application to create a JADU within 60 days from the date the local agency receives a completed application if there is an existing single-family dwelling on the lot. If the permit application to create a JADU is submitted with a permit application to create a new single-family dwelling on the lot, the permitting agency may delay acting on the permit application for the JADU until the permitting agency acts on the permit application to create the new single-family dwelling, but the application to create the JADU shall still be considered ministerially without discretionary review or a hearing. If the applicant requests a delay, the 60-day time period shall be tolled for the period of the delay.
- D. Fees for a JADU shall be established by the City Council and said fees shall be, but not limited to, Administrative Permit Application, Building Plan Check Fees, Building Permit Fees, and state mandated fees relating to the issuance of building permits.
- E. For purposes of any fire or life protection ordinance or regulation, a JADU shall not be considered a separate or new dwelling unit. This section shall not be construed to prohibit a city, county, city and county, or other local public entity from adopting an ordinance or regulation relating to fire and life protection requirements within a single-family residence that contains a

JADU so long as the ordinance or regulation applies uniformly to all single-family residences within the zone regardless of whether the single-family residence includes a JADU or not.

- F. For purposes of providing service for water, sewer, or power, including a connection fee, a JADU shall not be considered a separate or new dwelling unit.
- G. This section shall not be construed to prohibit a local agency from adopting an ordinance or regulation, related to parking or a service or a connection fee for water, sewer, or power, that applies to a single-family residence that contains a JADU, so long as that ordinance or regulation applies uniformly to all single-family residences regardless of whether the single-family residence includes a JADU.

Section 17.136.150.130 Definitions Junior Accessory Dwelling Unit (JADU). For purposes of this section, the following terms have the following meanings:

- A. “Junior accessory dwelling unit” means a unit that is no more than 500 square feet in size and contained entirely within a single-family residence. A junior accessory dwelling unit may include separate sanitation facilities, or may share sanitation facilities with the existing structure.
- B. “Local agency” means a city, county, or city and county, whether general law or chartered.
- C. Effective January 1, 2020, Section 17980.12 was added to the Health and Safety Code, immediately following Section 17980.11, to read: For purposes of this section, the following terms have the following meanings:
 - a. “Junior accessory dwelling unit” means a unit that is no more than 500 square feet in size and contained entirely within a single-family residence. A junior accessory dwelling unit may include separate sanitation facilities or may share sanitation facilities with the existing structure.
 - b. “Local agency” means a city, county, or city and county, whether general law or chartered.
- D. Effective January 1, 2020 Section 17980.12 was added to the Health and Safety Code, immediately following Section 17980.11, to read:
 - a. 17980.12. (1) An enforcement agency, until January 1, 2030, that issues to an owner of an accessory dwelling unit described in subparagraph (A) or (B) below, a notice to correct a violation of any provision of any building standard pursuant to this part shall include in that notice a statement that the owner of the unit has a right to request a delay in enforcement pursuant to this subdivision:
 1. The accessory dwelling unit was built before January 1, 2020.
 2. The accessory dwelling unit was built on or after January 1, 2020, in a local jurisdiction that, at the time the accessory dwelling unit was built, had a noncompliant accessory dwelling unit ordinance, but the ordinance is compliant at the time the request is made.
 3. The owner of an accessory dwelling unit that receives a notice to correct violations or abate nuisances as described in paragraph (1) may, in the form and manner prescribed by the enforcement agency, submit an application to the enforcement agency requesting that enforcement of the violation be delayed for five years on the basis that correcting the violation is not necessary to protect health and safety.
 4. The enforcement agency shall grant an application described in paragraph (2) if the enforcement determines that correcting the violation is not necessary to protect health and safety. In making this determination, the enforcement agency shall consult with the entity responsible for enforcement of building standards and other regulations of the State Fire Marshal pursuant to

Section 13146.

5. The enforcement agency shall not approve any applications pursuant to this section on or after January 1, 2030. However, any delay that was approved by the enforcement agency before January 1, 2030, shall be valid for the full term of the delay that was approved at the time of the initial approval of the application pursuant to paragraph (3).
 - b. For purposes of this section, “accessory dwelling unit” has the same meaning as defined in Section 65852.2.
 - c. This section shall remain in effect only until January 1, 2035, and as of that date is repealed.

If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision will not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, or phrase not declared invalid or unconstitutional without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

This Ordinance shall take effect and be in full force and effect from and after thirty (30) calendar days after its final passage and adoption. Within fifteen (15) calendar days after its adoption, the Ordinance, or a summary of the Ordinance, shall be published once in a newspaper of general circulation.

City Council Meeting

STAFF REPORT

Agenda Item No. 8.
Section: ADMINISTRATIVE
AGENDA
Meeting Date: February 8,
2024

TO: Honorable Mayor and Council Members

FROM: Kenny Williams, City Manager

SUBJECT: Approval of Resolution No. 2024-14 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MCFARLAND APPROVING FUNDS FROM THE CITY'S PARK IMPACT FEES FOR THE MCFARLAND RECREATION AND PARK DISTRICT (MRPD) TO FUND THE DESIGN OF LIONS PARK IN TRACKS 7393 AND 7394.

SUMMARY:

On March 24, 2022 the city entered into an agreement with the McFarland Recreation and Park District whereas the costs associated with the design of the Lions Park in track 7393 and 7394 will be funded out of the city's park impact fees.

The MRPD obtained a quote for the design of the park and submitted the invoice to the city requesting the funds to pay for the design of the park. The City has collected park impact fees and has the necessary funds needed for the design phase of the park in the City's impact fee account.

FINANCIAL IMPACT:

The financial impact to the city's park impact fee account is \$46,500.00.

RECOMMENDATION:

Staff recommend the City Council Possibly Approve resolution 2024-14 a resolution of the city of McFarland approving funds from the City's Park impact fees for the McFarland Recreation and Park District (MRPD) to fund the design of Lions Park in Tracks 7393 and 7394.

City Council Meeting

STAFF REPORT

Agenda Item No. 9.
Section: ADMINISTRATIVE
AGENDA
Meeting Date: February 8,
2024

TO: Honorable Mayor and Council Members

FROM: Kenny Williams, City Manager
Brian Knox, Chief of Police

SUBJECT: Approval of Resolution No. 2024-10 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MCFARLAND APPROVING AN ADDITIONAL ALLOCATION OF FUNDS FROM THE GENERAL FUND FOR THE PURCHASE OF A NEW K9 VEHICLE.

SUMMARY:

The McFarland Police Department (MPD) was recently approved to restart the Police K9 program. One of the needs for this program to be successful is to have adequate and reliable equipment, such as a police K9 patrol vehicle. A K9 patrol vehicle must be specially equipped with a transport kennel which secures the animal to prevent escape and tampering. This kennel must also be equipped with a fan to keep the dog from overheating, and a heat monitoring system, which sounds an alarm if the vehicle becomes too hot for the K9, or the vehicle loses power and cannot maintain the vehicle's cooling systems. A properly cooled vehicle also contributes to the K9's effectiveness as the dog will not be able to perform as well or as long if the K9 is not afforded a cooling environment between deployments.

The MPD currently has one Police K9 patrol vehicle, which is a 2014 Ford Explorer with 137,000 miles. This vehicle is an old K-9 patrol vehicle that is nearing its end of life as it has become less dependable and will often incur repairs. These repairs vary and can cause the K9 vehicle to be taken off patrol for extended periods of time. Having a reliable K9 vehicle is essential for the K9 program as a K9 partner cannot be utilized in a normal patrol vehicle. If the K9 vehicle must be repaired, a spare vehicle will be needed. This is not only essential for normal everyday patrol work but to maintain the constant training needs of the K9 and handler to meet current state law requirements. Staff conducted a cost analysis to purchase a new K9 patrol vehicle. The cost of the vehicle and equipment will be \$90,000.00.

FINANCIAL IMPACT:

Impact on the 2023/2024 budget will be \$90,000.00.

RECOMMENDATION:

Staff recommends the City Council approve Resolution No. 2024-10 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MCFARLAND APPROVING AN ADDITION ALLOCATION OF FUNDS FROM THE GENERAL FUND FOR THE PURCHASE OF A NEW K9 VEHICLE.

RESOLUTION NO. 2024-10

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MCFARLAND APPROVING
AN ADDITION ALLOCATION OF FUNDS FROM THE GENERAL FUND FOR THE
PURCHASE OF A NEW K9 VEHICLE.**

WHEREAS, the City Council of the City of McFarland has approved a fiscal year budget for 2023/2024 and;

WHEREAS, the City Council of the City of McFarland recognizes a new K9 patrol vehicle is needed and;

WHEREAS, the cost of a new fully equipped K9 patrol vehicle is \$90,000 and;

WHEREAS, the cost of a new fully equipped K9 patrol vehicle is \$90,000 and;

WHEREAS, the City Council of the City of McFarland believes a budget amendment of \$90,000 to the fiscal year 2023-24 adopted operating budget is necessary for the purchase of the new K9 patrol vehicle.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of McFarland that it hereby finds and determines as follows:

1. The foregoing recitals are true and correct and incorporated herein as if set forth in full.
2. The City of McFarland (City) desires to approve the following requests for funds from the general fund for the purchase of a K9 patrol vehicle.
3. The City Manager is hereby authorized and directed to make a monetary budget amendment of \$85,000 from the general fund to a line item on the MPD budget.
4. The City of McFarland provides the city manager with the Authority to execute any documents necessary to carry out the purchase.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of McFarland on February 8, 2024 by the following vote:

City of McFarland

City Council Meeting

STAFF REPORT

Agenda Item No. 10.
Section: ADMINISTRATIVE
AGENDA
Meeting Date: February 8,
2024

TO: Honorable Mayor and Council Members

FROM: Kenny Williams, City Manager
Brian Knox, Chief of Police

SUBJECT: Approval of Resolution No. 2024-11 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MCFARLAND APPROVING THE CREATION OF A NEW POSITION IN THE MCFARLAND POLICE DEPARTMENT AS POLICE OFFICER TRAINEE.

SUMMARY:

The McFarland Police Department (MPD) is constantly recruiting and trying to hire qualified individuals to serve as Police Officers. The MPD has spent numerous hours recruiting from local academies and attending job fairs to fill our open Police Officer positions. The MPD has been unsuccessful in attracting and hiring these candidates.

One issue blocking the recruitment and retention of academy students is the MPD is not equipped to hire an academy student and support those students before and during the academy.

Some of the biggest problems facing every law enforcement agency today are recruitment and retention. Many law enforcement agencies hold open recruitments for individuals and offer to pay them as they attend a police academy. Many of these agencies hire academy attendees as trainees and provide support for the trainees through the academy.

Staff has examined our current recruitment and retention process and determined that a Police Officer Trainee position could benefit the police department and the community. Hiring Police Officer Trainees and providing support through an academy allows the MPD to fill vacancies by hiring individuals at the earliest phase of their careers and allows those individuals to grow as police officers within this community.

The Police Officer Trainee would be a non-sworn position until completion of the academy. The Police Officer Trainee would be required to sign a two-year retention agreement. The retention agreement would begin after the successful completion of the academy and passing a Field Training Program. The Police Officer Trainee would start at a pay scale of 27 at a rate of \$23.84 an hour.

Staff conducted an audit of local police agencies and found the cities of Shafter, Delano, Bakersfield, and the Kern County Sheriff's Office all have the police officer trainee classification. The City of Arvin pays \$19.43 an hour, Shafter pays \$25.50 an hour, and Tehachapi pays \$26.18, an hour.

The Police Officer Trainee position will be funded under a vacant police officer position in the department. There will be no fiscal impact to the city of McFarland to create the Police Officer Trainee position.

FINANCIAL IMPACT:

There is no fiscal impact to the City of McFarland.

RECOMMENDATION:

Staff recommends the City Council discuss and possibly approve Resolution No. 2024-11 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MCFARLAND APPROVING THE CREATION OF A NEW POSITION IN THE MCFARLAND POLICE DEPARTMENT AS POLICE OFFICER TRAINEE.

ATTACHMENTS:
